PROFILE

Dynamic and detail-oriented professional with expertise in web development and e-commerce operations. Proficient in HTML/CSS, JavaScript, TypeScript, React, and Node.js, with a strong command of Tailwind CSS and Bootstrap for responsive design. Adept at utilising Git and GitHub for version control and collaborating effectively within teams. Demonstrates mastery in public speaking and content creation, alongside effective communication skills that enhance customer service experiences. Skilled in project management with a focus on SEO and SEM strategies to drive business growth. Career goals include leveraging technical skills to innovate digital solutions that optimise user engagement and streamline operations.

INTERNSHIPS

SOFTWARE ENGINEER at Sir Kwaku Nyadu , Accra

October 2024 — Present

I undertook tutorial sections from one experienced software engineer called Chris. I am currently building projects with the team. I also signed my first professional contract.
